Workforce Housing Specialist Certification Graduation Path

The Workforce Housing Specialist Certification Program provides real estate professionals with the knowledge of available programs and resources to assist workforce housing buyers while enhancing their skills, expertise, and versatility in the field of real estate. Individuals who complete the Workforce Housing Specialist Program will be listed on the NC REALTORS® Housing Foundation website for as long as they remain active. To learn more about the program, view classes, or apply for a scholarship, please visit ncreatorshf.org/become-a-specialist.

3
Core Courses

+
